

## NO – SMOKING CHILDMINDERS

---

### Smoking Policy

#### Aim

It is our policy to ensure that children are in a smoke-free environment whilst in our care.

#### Procedure

We will ensure that:

No-one smokes in any room where the children in our care are present or about to be present, either in our home or in any other setting.

Where reasonably possible we will ensure that no-one smokes in an outside play area when the children are in our care are present or about to be present (although this may be difficult, for example at a public park).

If, in exceptional circumstances, the children in our care are expected to use any space that has been used for smoking then we will ensure that there is adequate ventilation to clear the atmosphere.
